MGIA ANNOUNCES MEMBER OF THE YEAR AWARD

BINGHAM FARMS, MI. — The Michigan Green Industry Association (MGIA) honored Troy Ryan Clogg, CLP, CSP, president of Troy Clogg Landscape Associates, Wixom, MI., with its 2009 Member of the Year Award. This award was presented by MGIA Executive Director, Diane Andrews at the recent MGIA Awards Banquet in Southfield, MI.

The Member of the Year Award is given annually to the individual or company who has worked unselfishly for the benefit of the Association, its members, and the Association's influence in the greater community.

Involved in the green industry for over 25 years, Clogg is a strong partner in MGIA's initiative to professionalize the industry. He donates much of his time and that of his staff to assist in implementing the Professional Landcare Network Certification Programs through the MGIA. He is a Certified Landscape Professional and Certified Snow Professional and many of his staff have earned the Certified Landscape Technician designation.

Troy is always looking for ways to work together to further the best interests of the green industry, most recently lending his expertise to the staff of MGIA to better our Snow Conference & Expo.

"I am truly honored to receive this prestigious award," says Clogg. "I am a proud member of the MGIA and consider them to be the leader in educating the green industry." MGIA is the most valuable industry resource through its Student Career Day, Job Fair, Trade Show, Awards Program, Scholarship Golf Outing, Snow Expo, Landsculptor Magazine and educational programs.

For more information about the Member of the Year Award or the MGIA, contact Diane Andrews at (800) 354-6352 or visit www.landscape.org. MGIA is the association of members who create and maintain the QUALITY OF LIFE in communities across the state of Michigan. With more than 750 member companies and affiliates, these firms and their employees represent thousands of green industry professionals.
